

Pines on the Bay Apartments

September 2017 Newsletter

Dear Residents,

Labor Day

Labor Day is a United States federal holiday observed on the first Monday in September. The holiday originated in 1882 from a desire by the Central Labor

Union (of New York City) to create "a day off for the working man". Parades and pro-union demonstrations were central to the holiday at least through the time of World War I.

Today, Labor Day is celebrated by most Americans as the symbolic end of the summer (which symbolically begins on Memorial Day). Congress made Labor Day a federal holiday in 1894. All fifty states have also made it a state holiday.

September 11, 2001, a day we will never forget

If we learn nothing else from this tragedy, we learn that life is short and there is no time for hate," said Sandy Dahl, the wife of Flight 93 pilot Jason Dahl.

Resident Referrals

If you refer a family member and/or friend to live at Pines on the Bay you will receive \$150.00 off your rent the following month for *each referral!* When the person leases an apartment they must give us your name and apartment number. Once they move in you will receive \$150.00 off your rent 30 days after their move-in date. For example if they move in on Sep 1st you will get your referral concession on Oct 1st. So get out there and spread the word about our community.
